Re: Bosma Lagoon 10 Liner Design
Administrative Order on Consent ("Consent Order")
Docket No. SDWA-10-2013-0080
Yakima Valley Dairies, Washington

Dear Mr. Larsen:

EPA has completed our review of:

Bosma Lagoon 10 Basis of Design Report 100% Design Submittal (June 24, 2019)

The revised version that you transmitted to me via email on July 10, 2019 had the same date as the previous draft, so I changed the date on the approved final (enclosed) to July 17, 2019. EPA also re-inserted the "(Fill)" descriptors after the soil type labels in Figure 4, which were omitted from the June 24, 2019 version.

Pursuant to Paragraph 14 of the Consent Order, EPA hereby approves the enclosed Report as modified. You may contact me at (206) 553-6904, or your legal counsel may contact Jennifer MacDonald at (206) 553-8311, if you have any questions regarding this letter.

Sincerely,

A handwritten signature in black ink, appearing to read "Eric Winiacki".

Eric Winiacki
EPA Project Coordinator
